

*CAN I TAKE THE CAR TONIGHT?  
(Alan Hammonds)*

Oi

If I tidy up my bedroom, if I wash and dry my plate,  
I will pay towards the petrol; I promise I'll be safe.

If I help to dig the garden, if I help to fix the gate,  
I will put my safety belt on, if you release the brake.

*Chorus:*

I wanna take the car tonight? I've got a very special date,  
I wanna take the car to-ni-i-ight? I've got a special date,  
And I don't wanna be late.

If I go to church on Sunday, if I wear a shirt and tie,  
I will get a job by Monday, I'm prepared to die.

*Repeat Chorus:*

If only you knew what this meant to me,  
You wouldn't use this form of bribery,  
No-no-no-no-no

If I tidy up my bedroom, If I wash and dry my plate,  
I will pay towards the petrol; I promise I'll be safe.

*Repeat Chorus:*

And I don't wanna be late.  
No I don't wanna be late.

(Break)

I wanna take the car (I wanna take the car)  
I wanna take the car (I wanna take the car)  
I wanna take the car-ah-ah-ar

Oi
